## Plan and Pricing Information for the Chickadee I Model

### Model Specifications

Model Name: Chickadee I  
 1st Floor Sq. Ft.: 288  
 Total Sq. Ft.: 288  
 Bedrooms: 1  
 Bathrooms: 1

The Chickadee I, was originally designed as one of the many individual units for a resort. After customer requests for similar "no frills" cabins, we are now offering the Chickadees in our Songbird Series. For the camper who plans on doing the cooking outside over an open fire, this is the perfect little wilderness shelter. It will also make a wonderful guest cabin, where rocking chairs are a natural addition to the covered porch.
